Pricing & Payment Terms

All pricing is based on the estimate provided prior to booking. Estimates are calculated based on property size, number of rooms, and condition of the property.

Deposit: A 25% deposit of the estimated total is required to confirm your booking. The deposit will be applied toward the final balance. No booking is confirmed without receipt of the deposit.

Final Balance: The remaining 75% balance is due upon completion of the cleaning service, before the cleaning team departs. Accepted payment methods: Cash, Check, Zelle, Venmo, Credit Card.

Price Adjustments: The final price may be adjusted if the property condition significantly differs from what was described, additional areas are requested on the day of service, or the job requires significantly more time than estimated. The Client will be informed and must approve any adjustment before additional work begins.

Late Payment: Payments beyond 7 days of service completion may be subject to a \$15 late fee.

4

Photo Verification

Clients are strongly encouraged to submit photos of the property — particularly the kitchen, bathrooms, and any areas of concern — prior to the scheduled cleaning. Photos can be sent via text or email at the time of booking.

If no photos are submitted, the estimate is based solely on the information provided by the Client. If the actual condition differs materially from what was described, the final price may be adjusted. G&G Cleaning Services is not responsible for underestimation when photos were not provided.
